Kelly Armstrong was the **only Republican in Congress** who joined with Defund the Police Democrats to not put criminals back in prison.<sup>3</sup>

Congressman Armstrong voted for wasteful government spending that has fueled inflation and higher prices for housing, groceries and gas. He voted against the Outsourcing Accountability Act that would have held companies responsible for shipping American jobs overseas.<sup>4</sup> And Armstrong supported increasing taxes on the oil industry that North Dakota relies on as the backbone of our economy.<sup>5</sup>

As a trial lawyer, Armstrong defended a foreigner who **smuggled illegal immigrants** into the United States.<sup>6</sup>

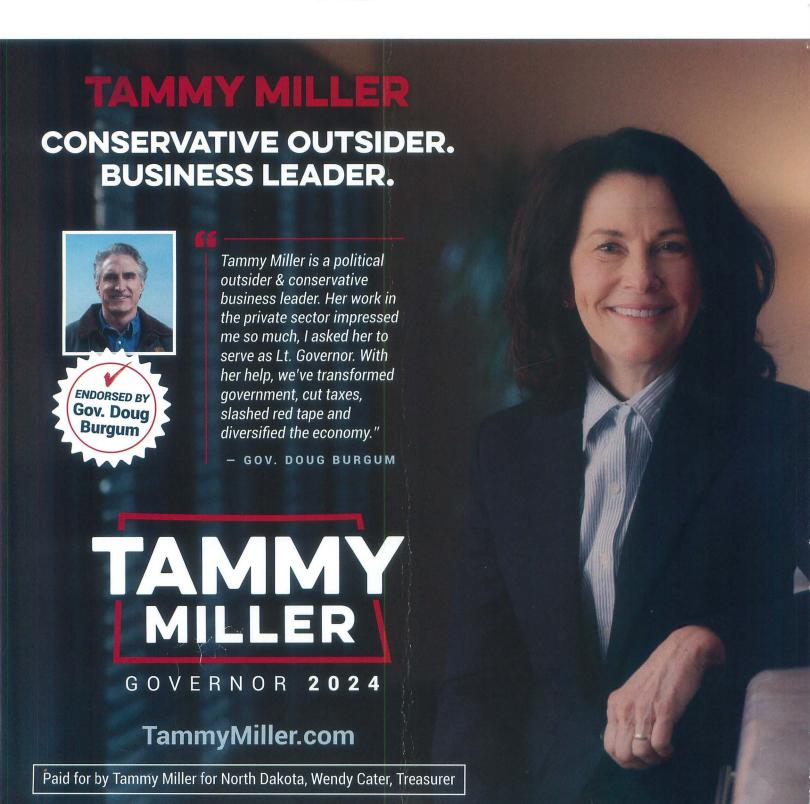

Career politician Kelly Armstrong is a political insider, funded by lobbyists. He even **voted to allow taxpayer money to be used to pay lobbyists**. Special interests spent over \$100,000 to send Armstrong on trips around the world.8
